

VICTORIA QUILTER'S GUILD – CHRISTMAS SALE POLICIES 2026

Customers return to our sale year after year. They are looking for quality, up-to-date, hand-made, fabric items that are unique, well-made and fairly priced.

Where else can one buy hand-made quilts and items that showcase our Guild members' talents? We encourage all our guild members to participate.

We especially like to see fresh ideas from the quilting world - items that are pieced, appliquéd, layered, with hand or machine stitching, or with some thread painting or embellishment etc.

Rules for Submitting items for the sale:

Items must be of fabric, quilt related and must be of good quality and workmanship

- Use the minimum pricing list and the 6- cent calculation. (see page 2)
- Quilts and other items priced \$75 or above must use blue price tags and be listed on the blue sheet. Sizes must be included on the blue sheet.
- Baby quilts: For safety reasons, no invisible thread may be used on baby quilts.
- Wall hangings will vary in price, based on size and the amount of work involved.
- Pre-printed panels are acceptable but **MUST** include additional piecing and extensive quilting.
- All items must be fragrance free - no potpourri, lavender etc. or items that smell of smoke.
- Permission must be obtained from the copyright holder before reproducing designs from copyrighted patterns. Pattern author should be noted on label.

Please check the volunteer list in the kitchen 10 minutes before your shift start time.

Pricing must be on provided VQG tags. No business cards or phone numbers on tags or inside items.

Prices must be in dollar increments and cannot be changed during the sale.

Vendors are responsible for PST (if registered) on their own sales. The VQG does not collect or remit sales taxes on behalf of its members.

It is the responsibility of the vendor to insure sale items for loss or damage. VQG does not provide insurance against theft or damage.

Unsold items must not be placed in the sale for more than **two** consecutive sales.

Quilt Pricing Math

Measure the width and the length. Multiply the two numbers for a square inch size amount.

Multiply this number by 6 cents to arrive at a fair price.

This sounds like a skill testing question for a prize, but it works! Test it out on table runners, small and large quilts, wall hangings, etc.

Happy stitching from the Christmas Sale Committee!
